**Sprouting
Melodies™**

Child-centered, family music experiences

Sprouting Melodies® is an award-winning early childhood music program. Created by music therapists to support all young children, Sprouting Melodies® offers a distinctly different, development-based approach to **infant, toddler** and **preschool** music classes.

Age-specific classes for infants, toddlers, preschoolers and siblings include **songs, instrument play** and **movement** that encourage **musical, social, communication, physical,** and **emotional** growth.
