# Music Therapy *Employment*

If you are a passionate, bright and talented Board Certified Music Therapist (MT-BC) who strives for excellence, loves to work with **children and adults with developmental and neurological challenges**, and is interested in the research-based approaches of **Neurologic Music Therapy (NMT)** and **Applied Behavior Analysis (ABA)**, NeuroRhythm may be the perfect employment opportunity for you!

NMT

ABA

NeuroRhythm is a **private practice** music therapy company that provides exceptional music therapy services for **children and adults with developmental and neurological challenges**. We are a **research-based behavioral music therapy practice**, and the **only** music therapy company that integrates the scientific fields of **Neurologic Music Therapy (NMT)** with **Applied Behavior Analysis (ABA)**.

We have a vision of being the **leading top quality music therapy company** for individuals with developmental and neurological challenges, with locations **throughout the nation**. This means there are **opportunities for advancement** within the company.
